PETITIONING THE COURT

☐

To extend the term of supervision for _____ years, for a total term of _____ years.

☒

To modify the conditions of supervision as follows:

Reduction of monthly restitution payments from \$1,500.00 per month to \$300.00 per month.

CAUSE

On April 10, 2017, Mr. Perdue began his term of probation in the Eastern District of Virginia. Following his sentence, Mr. Perdue has completed his term of home confinement, maintained a stable residence with his spouse, and remains employed with Dick's Sporting Goods. His special assessment has been paid in full and he has incurred no additional arrests or citations. His supervising officer conducted financial investigations in both August 2017, and February 2018, when he became aware that Mr. Perdue was only paying \$300.00 per month towards his restitution obligation. To date, Mr. Perdue should have paid \$21,000.00 in restitution; however, he has only paid \$2,900.00 towards this obligation. His restitution obligation is presently \$18,100.00 in arrears, with a balance of \$883,849.02. Based on his financial investigations, the supervising officer in the Eastern District of Virginia believes the defendant can only afford to pay \$300.00 per month at this time. Therefore, the U.S. Probation Office respectfully requests that the Court hold the violation in abeyance and grant the modification as noted above. The Court will be informed of any additional violations.

Respectfully submitted,
